

New Century Health

New Century Health CEO, Atul Dhir, MD, DPhil, participates in the HLTH *The Future of Healthcare* conference in Las Vegas May 8, 2018

Atul Dhir, MD, DPhil, New Century Health's CEO, (second from right) participated in the inaugural HLTH *The Future of Healthcare* conference in Las Vegas on May 8th. In a moderated panel discussion titled "*Building Value at Scale*", Dr. Dhir joined leaders from Bright Health, GuideWell and Evolent Health in providing insights about building value-based care models that serve large, diverse, multi-state populations while maintaining quality and cost.
